Montana Career Peeks

Hi! My name is Gabe.

I am learning about careers. Careers are made up of the jobs people have during their lives.

Do you know what you want to be when you grow up?

There are so many choices! We have a long time before we have to make up our minds.

For now, it is fun just to look at some of the careers out there.

Let's take a peek at what you can become!

Some pages have a cocoon at the top of the page. The words by the cocoon are names of career clusters. A career cluster is a group of careers that have things in common. Some jobs fit into more than one cluster.

There are 16 career clusters. Let's see what people like to do in each cluster.

Agriculture, Food & Natural Resources

These people like to work with plants, animals, rocks or water.

Architecture & Construction

These people like to draw or build things. They work on things like houses, bridges and buildings.

Arts, Audio/Visual Technology & Communications

These people like to be creative. Some write, dance, sing, act or draw.

Business Management & Administration

These people like to run companies.

Education & Training

These people like to teach new things and skills.

Finance

These people like to work with money.

Government & Public Administration

These people like to work for the public. They work to make lives better.

Health Science

These people like to keep people and animals healthy.

Hospitality & Tourism

These people like to help people when they go on trips or go out to eat.

Human Services

These people like to help people, families and groups.

Information Technology

These people like to work with computers.

Law, Public Safety, Corrections & Security

These people like to keep people and places safe.

Manufacturing

These people like to work with machines. They put things together.

Marketing

These people like to sell things or services.

Science, Technology, Engineering & Mathematics

These people like to solve problems and test things. They like to use math and science.

Transportation, Distribution & Logistics

These people like to work with planes, trains, ships or vehicles. They move people and things.

Wow! I like to do a lot of the things listed in the clusters.

How about you? You have a long time before you need to figure out what you like the most. For now, let's look at some careers and see what you can become!

Montana Career Peeks

Architecture
& Construction

Architects create plans for places like homes, buildings, bridges and parks. They create places that are useful and safe. They also want them to look nice. They choose the building supplies. They draw detailed plans called blueprints.

Draw a house that is **longer** than this one.

Circle the apartment building that is **longer**.

Use a blue crayon to Circle the bridge that is **shorter**. Use a red crayon to Circle the bridge that is **longer**.

Take a **peek**

at what you can become!

Montana Career Peeks

Manufacturing

Assemblers put things together. They work in factories. Some of them work on only part of a product. Some of them work on a whole product. They use many tools. They put together things like toys and cars. They work in teams.

Circle the bike that is on the **left**.

Circle the pacifier that is on the **right**.

Color the lamp on the **right** blue.

Draw a picture on the computer screen on the **left**.

Draw a beach ball on the **right** side of the umbrella. Draw a sun on the **left** side of the umbrella.

Take a **peek**

at what you can become!

Montana Career Peeks

Agriculture, Food & Natural Resources; Hospitality & Tourism

Bakers mix and bake food. They make things like breads, cakes and cookies. They follow recipes. They use mixers, measuring cups and spoons.

The pictures are things a baker might use or make. Circle the pictures that have the **vowel sound** of the letter shown.

Montana Career Peeks

Business Management &
Administration;
Finance

Bookkeepers keep track of money. They keep records of how much money a place earns and spends. Some pay bills. Some send out bills. They work in all kinds of places. They plan budgets. Budgets tell companies how much money they can spend.

Count the coins in the piggy bank. How much money is in the piggy bank?

_____ ¢

Bonus: Pet's Playground got a bill. The bill is 74 cents. Does the piggy bank have enough money in it to pay the bill?

Montana Career Peeks

Architecture & Construction

Carpenters build things. They work with wood. They use hammers, drills, saws and other tools. They make things like tables, houses and offices.

Count the things in each group. Put your answer on the line below each group. **Add** the groups together. Put your answer on the line to the right.

Education & Training;
Human Services

Child care workers take care of children while parents work. They feed children healthy foods. They keep them safe. They plan arts and crafts projects and games. They read to children. They teach them numbers and colors.

Match two pictures of things that rhyme with each toy (see next page).

Montana Career Peeks

Education & Training;
Human Services

Child care workers, continued

Bonus: Draw something that **rhymes** with red.

Take a **peek**

at what you can become!

Montana Career Peeks

Human Services

Clergy are leaders of some religious groups. Some are called ministers, pastors, rabbis or priests. They write and give talks. The talks are called sermons. They visit sick people. They lead weddings, baptisms and funerals.

Count the number of objects in each set. Write the number on the line.

Montana Career Peeks

Computer programmers tell computers how to do everything. They write in languages called codes. The codes must be exactly right. Computers read these codes.

Draw the **shapes** that would come next in the pattern.

Montana Career Peeks

Dentists are doctors who take care of people's teeth and gums. They fill cavities and fix broken teeth. They treat gum diseases. They pull teeth that are too bad to be saved.

Cross out the things that do not help keep teeth healthy. What letter do the things you did not cross out start with? Write that letter on the line to the left.

Montana Career Peeks

Architecture
& Construction;
Science, Technology,
Engineering &
Mathematics

Drafters draw plans. Workers use the plans to build things. The plans show workers how to make things like houses, cars, buildings, machines and toys. Most drafters use computers.

Below are objects a drafter might draw. **Count** the number of shapes in the objects. Write the number in the blank space.

How many **rectangles** can you find?

How many **triangles** can you find?

How many **circles** can you find?

Bonus: Use a blank sheet of paper to draw a picture of something a drafter would draw. Use lots of shapes in your drawing.

Montana Career Peeks

Law, Public Safety,
Corrections &
Security

Firefighters put out fires. They try to save people and property. They want to prevent fires. Some make sure fire safety laws are obeyed. They teach people about fire safety. They help people who are hurt or sick.

Circle the fire truck that is the **longest**.

Circle the fire hydrant that is the **tallest**.

Circle the fire that is the **widest**.

Take a **peek**

at what you can become!

Montana Career Peeks

Human Services

Hair stylists wash, cut and style hair. They color hair. Some style hair for weddings and proms. Some take care of customers' skin, fingernails and toenails.

The words and pictures are things hair stylists use. **Match** the word to the correct picture.

bow

comb

mirror

chair

scissors

brush

Montana Career Peeks

Government & Public Administration

Mail carriers take care of letters and packages. They sort mail. They bring mail to homes and companies.

They work outdoors in all kinds of weather. They are given mail routes. In cities, most of them walk these routes. In areas that are more rural, they drive to places on their routes.

Mail carriers know their ABCs. **Connect the dots** from A to Z

Montana Career Peeks

Transportation,
Distribution &
Logistics

Mechanics work on things like cars, trucks, boats and motorcycles. They figure out why things do not work. They fix problems. They use many tools. Some use computers.

The pictures are things a mechanic would use. **Count** the number of things in each group. Write the number on the line.

Montana Career Peeks

Arts, Audio/Video
Technology &
Communications

Photographers take pictures. They may work for websites, newspapers or magazines. Some work in studios. They take pictures of people, food and other things. Some take school pictures. Some take pictures at weddings.

Look at the pictures. Circle the **changes**.

Montana Career Peeks

Transportation,
Distribution & Logistics

Pilots fly airplanes and helicopters. They move people, cargo and mail. Pilots look at maps. They check out weather reports. They plan the routes they take. They must keep records of their flights.

Add the math problems in the picture. Then color the picture. Use these colors for the sums of the math problems:

3
yellow

4
red

5
blue

Montana Career Peeks

Transportation,
Distribution & Logistics

Truck drivers move things from place to place. They haul many different things, like milk, candy, animals or logs. Some drive short routes. They stay at home each night. Some truck drivers drive a long way. They spend some nights away from home.

Circle the item that holds **more** milk.

Circle the item that weighs **more**.

Circle the item that holds **more** ice cream.

Circle the item that weighs **more**.

Take a **peek**

at what you can become!

Montana Career Peeks

Agriculture, Food &
Natural Resources;
Health Science

Veterinarians are animal doctors. They take care of sick and injured animals. They give medicine to animals. They take care of pets. Some take care of farm animals. Some work at zoos. Vets teach owners how keep their pets healthy.

Name the animals. Write your answers in the spaces.
